## Director's Update April 14 **Urgent Clarification & Apology**

**AISZ will continue with the Virtual Learning Platform until April 30th**

### **Clarification:**

I apologize for the ambiguity in the last Director's Update. The message was not clear and based on the assumption that extensions would continue - this was not clear in my message:

In order to clarify:

- As of writing we have received no updated message from the Government, however we believe that an extension is inevitable.
- Given the need parents have to plan we will extend VLP until **April 30th and then as required by Government announcement.**
- The last Director's Update **was not intended** to suggest we were going to return to open school on April 20th.

Parents need more time than this to become organised - this was my mistake in crafting the update and my sending an ambiguous message caused confusion for families for which I apologize.

AISZ will remain in Virtual Mode until **April 30** and further steps will then be taken accordingly.

Yours regretfully for my miscommunication

Paul Buckley  
Director

## **Director & Community Virtual Meeting - 16th April at 14:00**

### **Instructions on how to join:**

On Thursday 16th April at 14:00, AISZ will host a Virtual Community meeting where I will address some of your questions. The session will begin by addressing questions that came in on the survey and then shift to addressing live questions. As not everyone in our community has a Google account, we will conduct the meeting using the two platforms Zoom - so we can see each other - and **Sli.do** so you can send me your questions live. Please see the instructions below in order to join.

### **INSTRUCTIONS**

We ask that everyone please install and connect to Zoom virtual meeting room at least 10-15 minutes before the scheduled start time to ensure that they are able to successfully join our waiting room or to troubleshoot any potential issues.
