# **CURRICULUM**

AISZ is an inclusive school. AISZ offers AERO Standard based learning up to high school. We offer learning support and English language support for identified students. In Grades 11 and 12, students can participate in the International Baccalaureate Diploma Program, AISZ High School Diploma or The AISZ-Honors Diploma.

The full IB Diploma is open to all AISZ students. Full IB Diploma students choose from six subject groups that include a broad range of courses with three at standard level and three at higher level. In addition, students must take the Theory of Knowledge (TOK) course, complete an Extended Essay, and fulfill Creativity, Activity, and Service (CAS) commitments outside of class time.

The AISZ Honors Diploma represents the pinnacle of academic achievement, offering a unique and rigorous pathway for students to deeply engage with their passions, from the arts to sciences, athletics, and entrepreneurship. This distinguished program combines a robust academic curriculum with personalized, high-level learning experiences, including opportunities for external certifications and specialized study. It culminates in a comprehensive senior project, presented and defended before a panel of AISZ educators and external experts, ensuring each graduate has met the highest standards of scholarly and professional excellence. This program exemplifies our commitment to nurturing future-ready students.

All graduates earn the AISZ American High School Diploma.

### **GRADING**

7 6 5 4 3 2 1

Grades are reported per semester to students and parents using the IB grading scale from 1 to 7 with the descriptors on the right. Due to the transitory nature of our student body, AISZ does not publish class rank or report student grade point averages.

# STANDARDIZED TEST AND EXTERNAL EXAMS

At AISZ we offer our students the following external exams:
