## We develop skills and character for futures rich with promise.

The American International School of Zagreb (AISZ) is a non for profit, independent, coeducational college-preparatory day school enrolling students in preschool through grade 12. At AISZ the language of instruction is English. The students come from American and international families residing in Zagreb and Croatian families who want an American International education for their children. The school opened in 1966.

## CURRICULUM

AISZ is an inclusive school. AISZ offers AERO Standard based learning up to high school. We offer learning support and English language support for identified students. In Grades 11 and 12, students can participate in the International Baccalaureate Diploma Program, AISZ High School Diploma or The AISZ-Honors Diploma.

The full IB Diploma is open to all AISZ students. Full IB Diploma students choose from six subject groups that include a broad range of courses with three at standard level and three at higher level. In addition, students must take the Theory of Knowledge (TOK) course, complete an Extended Essay, and fulfill Creativity, Activity, and Service (CAS) commitments outside of class time.

The AISZ Honors Diploma represents the pinnacle of academic achievement, offering a unique and rigorous pathway for students to deeply engage with their passions, from the arts to sciences, athletics, and entrepreneurship. This distinguished program combines a robust academic curriculum with personalized, high-level learning experiences, including opportunities for external certifications and specialized study. It culminates in a comprehensive senior project, presented and defended before a panel of AISZ educators and external experts, ensuring each graduate has met the highest standards of scholarly and professional excellence. This program exemplifies our commitment to nurturing future-ready students.

All graduates earn the AISZ American High School Diploma.

IB Diploma students whose native language is Croatian and are planning to enrol to a Croatian public university, do not need to take the Croatian national examination ("matura") if they take the IB DP Croatian Literature, Math and English course and exam.

Credit is given at the end of a school year with a grade of 3 or higher. Transferred students will have their previous transcripts verified and credit awarded. A student may be waived certain requirements only if transferring mid-way through high school.
